Has a lot of potential. I like the transitions between space exploration and internal fights a lot. It feels like it needs to be a little smoother and maybe a tad slower. I don't meen the action or the fights. just the pacing and the movement.. Has a lot of potential. I like the transitions between space exploration and internal fights a lot. It feels like it needs to be a little smoother and maybe a tad slower. I don't meen the action or the fights. just the pacing and the movement.. Its fun game, i like that you added lots of mekanisms to it, something we should have in game was a character profile to see what tools you having with you! when i buy fuel ,crafting tools and guns, it would be more fun to have that!. Its fun game, i like that you added lots of mekanisms to it, something we should have in game was a character profile to see what tools you having with you! when i buy fuel ,crafting tools and guns, it would be more fun to have that!.
